Secretary, Parks and Recreation Committee

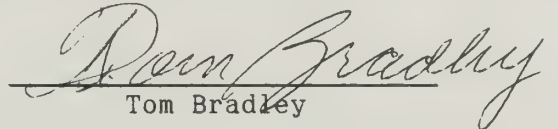

FROM: Mr. Tom Bradley
Director of Purchasing

DATE: 1989 November 1
COMM FILE:
DEPT FILE: P&R-REC.

SUBJECT: Purchase Of Golf Score Cards - Burco Industries Incorporated

RECOMMENDATION:

That the Corporation of the City of Hamilton enter into a three year agreement with Burco Industries Incorporated to provide golf score cards at Chedoke and Kings Forest Civic Courses, subject to the Municipality determining appropriate advertisers and that these score cards be provided at no cost to the City.

Tom Bradley

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

Reduce the operating supply costs by \$7,800.00 for score cards.

BACKGROUND:

Current costs for providing score cards at Municipal Golf Courses are \$4,600.00 for Chedoke and \$3,200.00 for Kings Forest.

The Golf Sub-Committee has endorsed the principle of the Burco score cards.

The local and national advertising panels on the score card will off-set printing, shipping and tariff costs.

The Manager of Purchasing and the Director of Culture and Recreation have received no other applicants for this score card program nor has any dealers been identified.

Following the first three years of this agreement and with a success ratio Burco will be required to provide a profit margin for the Corporation.

Burco will be requested to provide Tee Signs for thirty-six holes of an attractive design with a profit margin for the Corporation.

FROM: Mr. J. G. Pavelka, P. Eng.
Director of Public Works

DATE: 1988 October 26

DEPT FILE: 88-1035

SUBJECT: Annual Increase - Cemetery Tariff of Charges

RECOMMENDATION

- a) That the Tariff of Charges for City-owned cemeteries as set out in Schedule "A" attached, be approved upon receipt of approval from the Ministry of Consumer and Commercial Affairs, Cemeteries Branch, and implemented on January 2, 1990.
- b) That the City Solicitor be authorized and directed to prepare a by-law to amend Cemetery By-law 8861 so as to provide for the increase in the Tariff of Charges.
- c) That the Manager of Cemeteries be authorized and directed to make application to the Ministry of Consumer and Commercial Affairs, Cemeteries Branch, for approval of these rates.

FINANCIAL IMPLICATIONS (IF NONE, STATE N/A)

J. G. PAVELKA, P. ENG.
DIRECTOR OF PUBLIC WORKS

If approved, this increase will add approximately \$75,700.00 additional revenue for the year 1990.

BACKGROUND

The Tariff of Charges being recommended represents approximately a 9.0% increase in revenue over the year 1990. The 9.0% increase was established and has received verbal approval by the Ministry. This came about as a result of our explanation for the necessity of the 9% increase. This was our reasoning:

We received a 6% increase for the year 1989, on the assumption at that time (October 1988), that the increase to the labour force in 1989 would be 5%. We are normally allowed 1% over the Cost of Living or the Union increase. Therefore, the increase of 6% was allowed. As you are now aware, the increase for 1989 was 8%. When we approached the Ministry in October of this year, we brought this to their attention. This increase made us fall behind by 3% in 1989. We also pointed out that the increase in the labour force for 1990 was 5%, plus the 1% would give us a 6% increase for 1990, plus the 3% for 1989, giving us a total of 9%.

BACKGROUND:

The Canusa Games Executive Committee have committed to cost sharing of a contract games employee.

The current Canusa Games format does not include a developmental and recreational base program which includes a wider base of participation in Flint Michigan.

The facility allocation and sport/culture liaison work is increasing dramatically and requires additional hours weekly.

FROM: Robert Sugden

DATE: 1989 November 14

SUBJECT: Historic Sites Staff - Change Of Status - Part-Time To Full-Time

RECOMMENDATION:

- (a) That the position of janitor at the Hamilton Museum of Steam and Technology be upgraded from permanent part-time (24 - 30 hours/week) to permanent full-time status (38 3/4 hours/week).
- (b) That the position of Curatorial Assistant at Whitehern be upgraded from permanent part-time (28 - 30 hours/week) to permanent full-time status (37 1/2 hours/week).

Robert Sugden

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

Funds are available within the 1989 budget.

Adjustments will be required for the 1990 budget in accordance with the job evaluation process (approximately \$12,000./year).

BACKGROUND:

Commencing January 1, 1990, the 1913 Engineering Building of the Museum of Steam Technology will be transferred as a historic site to become part of the Museum operation. This will require additional clearing and coverage (8 - 15 hours/week).

Whitehern is the only museum without a Curatorial Assistant with duties and responsibilities which are under the Museums Standards Act for collection management and program quality.

Both positions will enable a consistent hours of operation schedule to be implemented which will increase the year round availability to the public.

The present high staff turnover rate will be eliminated as associated with key staff positions on a part-time staff basis.

Mr. Robert Prowse,
Secretary, Parks & Recreation Committee

1989, November 14

BACKGROUND CONTINUED..

Whitehern will consistently have management staff on duty on a full operating schedule along with comparable positions at other museums in accordance with the evaluation conducted by the Department of Human Resources.

SUBJECT: Bikeways

RECOMMENDATION:

That the Planning Department, Engineering Department, Traffic Department and the Public Works Department be directed to consider a policy for the construction of designated bike lanes at all future roadways or road reconstruction projects.

Robert Sugden

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

Costs to be implicit in construction and design.

BACKGROUND:

The first phase of providing bikeways in Hamilton was approved to link the east-west corridor on roadway, which was best suited for upgrading to provide safe routes.

This plan was implemented under the co-ordination of staff, the Bikeways Committee and the Hamilton Safety Council.

Implementation of this plan has totalled \$300,000. which included 7 km. of off-road bikeways as well as 27 km. of on-road routes. It focused on shoulder upgrading and surface treatment on sewer grate replacements in addition to signage and educational programs.

Future bikeway funding will be directed to off-street designated bike paths such as escarpment routes, park linkage and linear systems and aligned leisure designations.

The current trend is towards "Mountain" or "BMX" biking and less of the "racing" bike.

This recommendation will include the cost accountability for safe cycling on city streets as part of development in accordance with the adopted bikeway plan and the appropriate links to the east-west routes.

CITY CLERKS

Dear Mr. Simpson:

Please accept this application for re-appointment to the Hamilton Historical Board. I have served on the Historical Board since 1986. In that time, I have served on several sub-committees of the Board. Currently, I am a member of the Policy Review Sub-committee, the Plaquing Committee, and serve as the Board's representative on the Archives Committee established at the request of City Council by the Hamilton Public Library to examine the need for a regional archives for Hamilton-Wentworth.

My academic work at McMaster University centers on the history of Hamilton, and I have both published and presented public lectures on this subject. I continue to maintain close ties with the McMaster community. Currently, I am employed as an archivist by the Archives of Ontario. There, I have been responsible for arranging the microfilming of several Hamilton-related collections, including the Royal Hamilton Light Infantry Collection the 1st Battalion Incorporated Militia Collection, and the Land Family Papers. Microfilm copies of these collections have been distributed in Hamilton to facilitate use and ensure the preservation of the original records. Archives and museums are two related facets of heritage preservation, and I feel my work as an archivist sensitizes me to the broader heritage concerns faced by members of the Historical Board. Moreover, I feel that Archives is an important facet of heritage conservation which should be represented on the Historical Board.

Particularly during the past year, the Hamilton Historical Board has become involved in numerous initiatives which promise to revitalize Board -the policy review currently under way and the establishment of the Plaquing Committee in co-operation with LACAC are but two examples of this renewed

energy and commitment on the part of Board members. As an experienced Board member, I feel I have a continuing contribution to make to this process of change, and would appreciate the opportunity to see the process through to its conclusion.

Re: Hamilton Historical Board CITY CLERKS

Dear Sir: I would like to reapply for another term on the above city board. My qualifications have not changed since the previous application two years ago except that I am now Past President of the Head-of-the-Lake Historical Society having served as president for five years. I have been appointed Chairman of Publications for the society, a position very capably performed by the Rev. T. Melville Bailey for the past forty years - a tough assignment for me to maintain his standards and dedication.

My interest in archaeology (unwritten history) is still very strong and I continue to review sub-division draft proposals for aboriginal and historic importance for the H.W. Regional Planning Dept. and the Ministry of Culture and Communications.

I would be pleased to enlarge on this brief sketch, if you wish.

Sincerely, Stewart Leslie

Attention: Mr. E.A. Simpson
City Clerk

Dear Mr. Simpson:

Annually, the citizens of Hamilton have the opportunity to be appointed to various Boards and Committees. Having seen the public notice in The Hamilton Spectator, I was motivated to write and apply for a position on the Hamilton Entertainment and Convention Facilities Inc. Board.

Being a professor in the School of Business at McMaster University, I have a unique perspective to bring to a municipal committee. In particular, the combination of my marketing background with my interest in strategic business policy could provide critical skills to the Board now that many new ventures and directions are being pursued. As well I can draw on the vast pool of resources at McMaster. Consulting with published research can sometimes provide solutions to problems or provide the foresight needed to avoid business mistakes.

My interest in the HECFI Board comes from many sources. A colleague, Chris Bart served on the Board two years ago and constantly encourages me to apply for a position. Some recent consulting work with the Hamilton Tiger-Cats brought me in contact with David Braley who also served on the Board. We all agree that the push to attract an NHL team is a large strategic move which must be carefully orchestrated. In addition, while focusing on the NHL proposal, the Convention Centre and Hamilton Place must not be overlooked. There are early indications that the utilization of these two facilities is not as high as one would like.

While HECFI is my primary interest, I would also be happy to serve on the Hamilton Civic Hospitals Board of Directors, the Mohawk College Board of Governors or the Hamilton Historical Board. Though I know less about the workings of these committees, should the City feel my talents would be better used in one of these capacities, I would not object.

I have enclosed a short curriculum vitae and look forward to meeting with the selection committee within the next few months.

Yours Sincerely,

Marvin Ryder

SUBJECT: RED HILL CREEK RECREATION AND OPEN
SPACE MASTER PLAN - FINAL REPORT

RECOMMENDATION:

- a) That the Red Hill Creek Recreation and Open Space Master Plan Final Report as prepared by Moore/George Associates Inc. dated 1989 November be adopted; and
- b) That the Bruce Trail Association be requested to pursue possible cost-sharing arrangements and the priority for development of a structure over the Red Hill Creek Freeway along the optimum route for the Bruce Trail; and
- c) That the Regional Municipality of Hamilton-Wentworth be requested to undertake Option #1 of the Melvin Avenue Interchange to form the optimum pedestrian link over the Red Hill Creek Freeway after consultation with the schools and the public in that area, and,
- d) That the Ministry of Transport Ontario be requested to recognize that the City intends to pursue development of a pedestrian bridge over the Queen Elizabeth Way (Q.E.W.) and that the Ministry of Transport Ontario take this structure into consideration in the design and development of interchanges with the Q.E.W.
- e) That the Parks Division of the City's Public Works Department pursue cost sharing with the Ministry of Transport Ontario for the pedestrian overpass structure at Greenhill Avenue recognizing that the City will incur added costs for a pedestrian link across the valley at this location as a result of freeway development.

C.J. Coutts, Secretary
Red Hill Creek Recreation
Master Plan Steering Committee

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

Using 1989 figures, Moore/George Associates Inc. projected \$4,920,546 - \$4,930,546 as the total costs for the project. These costs have been incorporated into the Public Works Department's 1990 - 1994 Capital Budget, compounded at 7.0% per year to reflect inflationary amounts for a total cost of \$5,100,546.

BACKGROUND:

The Regional Municipality of Hamilton-Wentworth was given approval to construct a new roadway connecting Highway 403 in Ancaster to the Queen Elizabeth Way in the eastern portion of the City of Hamilton. Most of the north-south section of the roadway is to be constructed within the Red Hill Creek Valley (approximately 7.0 km in length). Significant areas, however, within the valley will remain available for open space and recreational uses.

The City of Hamilton decided that an open space recreation master plan should be prepared prior to the construction of the roadway and subsequently City Council at its meeting held 1988 September 27 recommended that the firm of Moore/George Associates be retained to undertake the Red Hill Creek Recreation Master Plan Study. At that time, the City also requested that the Region of Hamilton-Wentworth's Freeway Steering Committee finance this Study at an estimated cost of \$90,000 recognizing that these funds will be credited to the Region when the Region compensates the City of Hamilton for the City owned lands that are required for the Freeway.

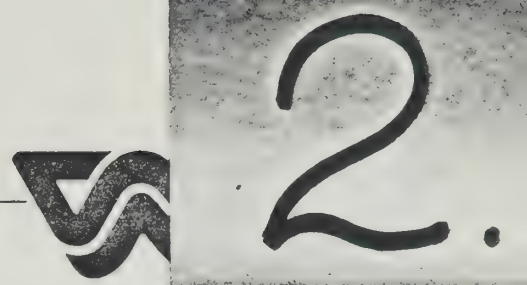

A Steering Committee consisting of Aldermen whose Wards are directly affected by this Study (Wards 4, 5 and 6), staff from the Planning, Culture and Recreation and Public Works Departments, a representative of the Hamilton Region Conservation Authority and a representative of the Freeway Project Office have worked closely with the consulting firm to finalize a Master Plan which they feel best meets the needs of the City and the Community-at-large.

Three Public Meetings were held on 1989 July 31, August 2 and August 3 to gain the Community's input in the planning process. Comments and suggestions as a result of these public meetings have been incorporated into the final plan.

As a directive of the Parks and Recreation Committee, Public Works staff have met with Stoney Creek's Recreation and Parks Committee and the final presentation was very well received.

Copies of the Final Report of the Red Hill Creek Recreation and Open Space Master Plan Study have been circulated to members of the Parks and Recreation Committee for review and consideration prior to today's meeting.

Dear Sir:

We wish to attend the meeting of The Parks and Recreation Committee scheduled for December 5, 1989.

The Commissioners' staff and consultants will be present in respect of the following matters:

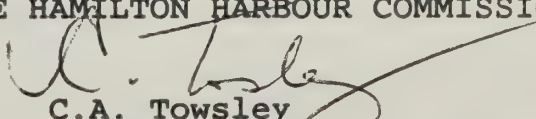

1. To outline for the information of the City of Hamilton, the Marina Expansion Project of the Commissioners, that is to be built on lands and waterlots of The Commissioners, in the area in front of Pier 4 Park and The Hamilton Yacht Club.
2. To request that The City provide access to the Marina Expansion Project across a portion of Pier 4 Park to permit the construction of, access to, and maintenance of the marina breakwater.
3. To request that The City assist in this project and improve the waterfront in the Pier 4 area by providing a drained and paved parking area.

Prior to the meeting, copies of the Marina Expansion project will be made available to the Committee members.

We look forward to receiving your confirmation of our attendance at this meeting.

Yours very truly,

THE HAMILTON HARBOUR COMMISSIONERS

REPORT TO: Mr. R. C. Prowse
Secretary, Parks and Recreation Committee

FROM: Mr. Robert Sugden
Director of Culture & Recreation

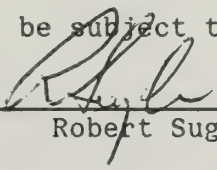

DATE: 1989 November 29
COMM FILE:
DEPT FILE: P&R-REC.

SUBJECT: Amendment - Contractual Agreement With Geraldo Catering Inc.

RECOMMENDATION:

That the contractual agreement with Geraldo Catering Inc., the tenant concession operation at King's Forest Sports Park be amended to require an annual full "up front" payment which includes realty taxes, subject to the following terms and conditions:

- (i) The first year term of \$24,307.56.
- (ii) The subsequent years be subject to an annual 5% escalation clause.

Robert Sugden

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

BACKGROUND:

The concessionaire, Geraldo Catering Inc., has requested consideration to amend the contract (letter attached).

The proposed contract amendments are consistent with the concession agreement accepted for Chedoke Sports Park food concessions.

Both concession operators will now provide an annual full "up front" payment to the City which includes realty taxes.

Geraldo Catering entered into the agreement with a letter on record, indicating that realty taxes would be included in payment schedule.

The original proposal followed a monthly payment of:

\$2,025.63 until February 1990
\$2,125.19 until February 1992
\$2,225.61 until February 1993

Mr. Robert Prowse,
Secretary, Parks & Recreation Committee

1989, November 29

BACKGROUND CONT'D

The 5% escalation clause and the upfront payment substantially increased these payments each year of the contract.

The payment schedule which was adopted without inclusive realty taxes in part has placed an undue burden resulting in operational losses of \$29,000. in the first season and start-up period.

On compassionate grounds this contract is amended to the terms of the Chedoke Winter Sports Park concessionaire.

This amendment compares to the second tender in the City's favour.

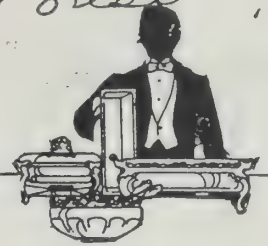

The quality of food and service has been highly commended and the Corporation has benefitted from the concession operators efforts to serve golfers and the public-at-large, in that order, (many letters are on file to attest).

Dear Mr. Sugden,

As the concession operator at King's Forest Golf Club, we are requesting an amendment to the contractual agreement to be consistent with the concession agreement at Chedoke Sports Park. We request this to allow for an "up-front" payment to the City of Hamilton of \$24,307.56 including realty taxes, with a five per cent yearly increase for a five year term.

We understood upon entering into the agreement that such realty taxes were included, similar to the Chedoke agreement. Our operational losses excluding capital expenses for the 1989 season were in excess of \$29,000.00.

Geraldo's has provided excellent food quality and service as reflected in our customers' overwhelming response.

Sincerely,

Gerald Attard

9:30 o'clock a.m.
Room 233, City Hall

The Parks and Recreation Committee met.

There were present: Alderman T. Murray, Chairman
Alderman J. Gallagher, Vice Chairman
Mayor R. M. Morrow
Alderman M. Kiss
Alderman B. Hinkley
Alderman G. Copps
Alderman D. Agostino
Alderman T. Jackson

Regrets: Alderman Wm. McCulloch (Civic Business)

Also present: Mr. L. Sage, Chief Administrative Officer
Mr. G. Hesson, Culture and Recreation Department
Mr. J. Pavelka, Director of Public Works
Mr. C. Orzell, Cemetery Office
Mr. B. Chrystian, Parks Division, Public Works
Mr. K. Christenson, Community Development
Mr. B. Loreto, City Solicitor's Department
Mrs. M. Havelka, Culture and Recreation
Mr. T. Bradley, Manager of Purchasing
Mr. D. Vyce, Director of Property

An item dealing with the Twin Pad Arena was tabled to the end of the meeting due to the absence Mr. Herman Turkstra who was in transit from Toronto Airport and would not be able to make the beginning of the meeting.

Twin Pad Arena - Tabled

The Minutes of the Tuesday, November 07, 1989 meeting of the Parks and Recreation Committee were adopted as circulated.

The Committee approved the the following recommendation of the Director of Purchasing respecting the purchase of Golf Score Cards:

That the Corporation of the City of Hamilton enter into a three year agreement with Burco Industries Incorporated to provide golf score cards at Chedoke and King's Forest Civic Golf Courses, subject to the Municipality determining appropriate advertisers and that these score cards be provided at no cost to the City.

NOTE: This will reduce operating supply costs by \$7 800.

The Committee approved the recommendation respecting the Annual Increase in Cemetery Tariff Charges as outlined in the October 26, 1989 report of the Director of Public Works.

Cemetery Tariff Charges

Also included in the recommendation was the following:

- (b) That the City Solicitor be authorized and directed to prepare a by-law to amend Cemetery By-law 8861 so as to provide for the increase in the Tariff of Charges.

- (c) That the Manager of Cemeteries be authorized and directed to make application to the Ministry of Consumer and Commercial Affairs, Cemeteries Branch, for approval of these rates.

The Committee approved the Transferring of Funds within the Parks Division 1989 Accounts as outlined in the report of the Director of Public Works dated November 15, 1989, File No. 89-1036.

The Committee requested that in future the Account name as well as the account number be listed so that members would be aware of from where the money was being transferred.

It was further directed by the Committee members that a memo be sent to all Department Heads requesting that in future the account number plus the name should be included in all reports.

Alderman Copps indicated that she wished to be recorded as being opposed to the item dealing with the transfer of funds within the Parks Division 1989 Accounts.

An item respecting the contract position for the Canusa Games Co-ordinator was tabled.

An item with respect to the Historic Sites Staff - Change of Status - Part-time to full-time, was tabled to the budget meeting of the Parks and Recreation Committee.

The Committee approved the following recommendation of the Director of Culture and Recreation respecting Bikeways:

That the Planning Department, Engineering Department, Traffic Department and the Public Works Department be directed to consider a policy for the construction of designated bike lanes at all future roadways or road reconstruction projects.

With respect to an item dealing with Appointments to the Hamilton Historical Board, it was moved by Alderman Kiss seconded by Agostino that this matter be referred to the Historical Board for a recommendation. Carried.

Mr. Herman Turkstra, Solicitor for the Save Olympic Park Committee, appeared before the Committee to express his concerns respecting the location of the proposed Twin Pad Arena.

Mr. Turkstra advised the Committee that the Save the Olympic Park Committee was in support of the Schwenger Park site as opposed to the Olympic Park Site and that he was asking on behalf of the Save the Olympic Park Committee to let the Consultant's recommendation for the Schwenger Park site stand and that the Olympic Park site be left alone.

After some discussion the Chairman thanked Mr. Turkstra for his comments and indicated that they would be taken under advisement.

It was moved by Alderman Gallagher seconded by Alderman Agostino that the Committee meet in camera to discuss an update report presented by the City's Legal Counsel, Mr. Ian Binnie, on the Lax Property. Carried.

Update Report - City's
Legal Counsel, Mr. Ian
Binnie - Lax Property

The Committee reconvened in public and it was moved by Mayor Morrow seconded by Alderman Hinkley:

- (a) That a formal application be made to the Minister of the Environment in the full estimated amount of the expenditure required for the implementation of the Waste Management Plan for the former Lax Property.
- (b) That, subsequent to the submission of this application, arrangements be made for a delegation from the City of Hamilton comprised of the Mayor, members of Council and the appropriate staff members, to meet with the Minister of the Environment of the Province of Ontario, with a view to securing a financial commitment from the Province for the implementation of the Waste Management Plan for the Former Lax Property.

NOTE: The appropriate staff of the City of Hamilton will meet with their counterparts at the Province to prepare for the meeting with the Minister of the Environment. Carried.

There being no further business the meeting was adjourned.

Adjournment.

DATE: 1989 November 27
COMM FILE:
DEPT FILE: 89-1091

SUBJECT: Provision of Computer Workstations in
the Parks & Cemeteries Divisions
of the Public Works Department

RECOMMENDATION:

- (a) that the Public Works Department, in Conjunction with Information Systems, be authorized to obtain 5 additional computer workstations;
- (b) that the estimated leasing cost of \$750 for a possible one month in 1989 be funded from overall savings in the salary accounts due to hiring delays, etc.;
- (c) that the estimated annual leasing costs of \$9,000 be placed in the 1990 budget of this department and an equal offsetting amount be shown as a reduction to staffing costs accounts or other accounts where a saving can be demonstrated due to productivity improvements.

Mr. J. G. Pavelka, P.Eng.
Director of Public Works

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

- 1. no additional funds are requested for 1989 due to savings in the department's accounts;
- 2. the ANNUALIZED costs of this equipment will be provided by reducing the 1990 budget request for staffing costs or other cost savings by at least as much as the equipment lease costs for the year.

BACKGROUND:

City Council on October 31 approved the issue of departments optionally acquiring additional workstations in 1989 and funding this equipment from savings within their own accounts.

The Parks and Cemeteries Divisions of Public Works Department has the need for several additional workstations. The requirements for microcomputer workstations are:

(a) Cemetery Division	- 2 workstations
(b) Parks Division	- 3 workstations
TOTAL	- 5 workstations

The requested workstations are for Managers, technical support staff and clerical/secretarial staff and will be used for word processing, spreadsheet and other micro-based applications as well as terminal connections to the PROFS network and other mainframe applications that are now or will shortly be available for use in the various departments of the City structure. The addition of these micros will make it somewhat easier to cope with the understaffing that has become chronic in this department as a result of the continually increasing nature of the responsibilities of the Public works Department.

It is time that the lack of computing resources be addressed and corrected so that we may continue to work in the most efficient and responsive manner possible.

It is likely that the computer needs of this office will change as time progresses and technology advances. We will continue to monitor the available technology in an attempt to best serve the needs of the City of Hamilton in the long term.

Director of Public Works

DATE: 1989 November 29
COMM FILE: 1-2.3
DEPT FILE: 89-Radial

SUBJECT: Additional Parkland at Spruceside Avenue and Aberdeen Avenue

RECOMMENDATION:

That the City of Hamilton Property Department be authorized to enter into negotiations with the owner of Part of lots 2 and 3 Spruceside Avenue (as indicated on the attached plan) for the purchase of this property for park purposes.

FINANCIAL IMPLICATIONS:

That the purchase price be the subject of negotiations between the vendor and City Property Department.

Property estimate of the land is available, and if required can be discussed at the Committee meeting in camera.

BACKGROUND:

The City owned property adjacent to lots 2 and 3 on Spruceside Avenue, is the east portion of Radial Park. This park is divided into 2 segments by Spruceside Avenue with the west portion developed for active recreation, as shown on the attached plan.

The east side has a valuable role in the neighbourhood as undeveloped green space. The intersection of Aberdeen Avenue and Queen Street is a very busy location, and the visual relief and contrast provided by this property contributes to the positive character of the area.

The abutting land, part of lots 2 and 3 on Spruceside Avenue would make a valuable addition to this park. This abutting parcel has many mature trees which overhang the park property and contribute largely to the positive impact of the park in this neighbourhood.

Acquiring this property would increase the area of this park such that these trees could be secured, assuring their viability as an important greenspace feature of the neighbourhood. Once acquired, this property could be enhanced for a minimal cost, to better serve as a passive recreational site.

This property is currently for sale, and came to staffs' attention when the agent for the owner contacted the City to determine whether or not the City would consider selling its parkland at the corner of Spruceside Avenue and Aberdeen Avenue.

SUBJECT: Hosting Of Ontario Disabled Games - July 18 - 21, 1991

RECOMMENDATION:

That the Corporation of the City of Hamilton agrees to host the Ontario Disabled Games during the period of July 18 - 21, 1991, in co-operation with the Province of Ontario, Ministry of Tourism and Recreation with a city contribution of \$4,000., financing recommended by the Finance Committee for hosting a conference with municipal content.

Robert Sugden

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

The Games are funded by the province, participant registrations and fundraising.

The fundraising will reduce the civic responsibility to a civic reception awards and official awards dinner at a cost of approximately \$4,000.

Total Games budget will be approximately \$400,000.

BACKGROUND:

The Ontario Disabled Games is the stepping stone from Regional Games to National Games.

Over 500 athletes and coaches will participate.

McMaster University has agreed to house the athletes and provide many site venues.

Mohawk Sports Complex and two other areas will round out the venues.

The civic dinner and awards ceremony is planned for the Convention Centre at a cost of \$8,000. with City contribution of \$3,000.

The Hamilton Organizing Committee will be comprised of representatives from the Hamilton Sports Council and Hamilton and Region Association for the Disabled.

SUBJECT: Signage Plates On Municipal Playstructures

RECOMMENDATION:

That all Municipal Playstructures located on city parks or school grounds be affixed with identifying signage plates which:

- Recognize the Corporation of the City of Hamilton
- Recognize the partnership of any joint venture
- Identify the playground watch telephone number

Robert Sugden

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

The cost for a 24 " x 18 " reflective sign is \$27.00. The installation cost will be within the technical services budget of playground repairs and maintenance.

BACKGROUND:

At the present time over 100 playgrounds and playstructures do not recognize the funding body for these amenities.

Joint venture partners are more receptive if suitable recognition is given to a contribution and is a requirement for provincial support.

A "playground watch" program is intended to elicit citizen support to report damage and vandalism to playstructures for immediate control and repair.

Although the playstructures are inspected, the damage may go undetected for up to two weeks, which can result in injury to users.

The identification plates will be affixed to the structure and implemented over a three year period.

SUBJECT: Contract Position - Canusa Games Co-ordinator

RECOMMENDATION:

That the Director of Culture and Recreation be authorized to pursue, with the Commissioner of Human Resources, a contract for the position of Canusa Games Co-ordinator, subject to the terms and conditions suitable to the Co-ordinating and Personnel Committee.

Robert Sugden

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

The base funds will be provided by the Canusa Games Committee with additional funds from within the existing Culture and Recreation allocation for contractual staff.

BACKGROUND:

The Canusa Games Executive Committee have committed to cost sharing of a contract games employee.

The current Canusa Games format does not include a developmental and recreational base program which includes a wider base of participation in Flint Michigan.

The facility allocation and sport/culture liaison work is increasing dramatically and requires additional hours weekly.

SUBJECT: AMEND CITY'S POLICY ON NAMING OF PARKS TO INCLUDE DONATIONS OF LAND

RECOMMENDATION:

That Section (b) of the City's Policy on the Naming of Parks be amended to include the donations of land and read as follows:

- b) Naming a park or facility after an individual or organization that donated land and/or money toward the purchase of the park or facility or for the development of same.

The Committee to consult with the individual or the next of kin, as the case maybe, to secure approval for the naming of a park in honour of an individual.

C.J. Coutts, Secretary
Parks and Recreation Citizens'
Advisory Sub-Committee

FINANCIAL IMPLICATIONS: (IF NONE, STATE N/A)

N/A

BACKGROUND:

The Parks and Recreation Citizens' Advisory Sub-Committee at its meeting held 1989 November 15 on recommendation by Parks Division Staff, recommended that the Naming of Parks Policy be amended to include the donation of land so that individuals donating land for City Parkland can be considered when the Sub-Committee recommends park names.

Attached is the City's current Policy for the Naming of Park and Recreational Facilities adopted by City Council on 1980 June 24.

Attached

That the following guidelines be established for the naming of park and recreational facilities:

- (a) In the case of a neighbourhood park, first consideration be given to naming the park the same as the neighbourhood i.e. Mountview Neighbourhood - Mountview Park; Lawfield Neighbourhood - Lawfield Park, etc.

NOTE: It is understood that this will not always be possible because of previously named parks and neighbourhoods.

- (b) Naming a park or facility after an individual or organization that donated money toward the purchase of the park or facility or for the development of same.

The committee to consult with the individual or the next of kin, as the case may be, to secure approval for the naming of a park in honour of an individual.

- (c) Naming a park or facility in relationship to its location, development, or scenic value, i.e. Dundurn Castle - Dundurn Park; Hill Park Recreation Centre - adjacent to Hill Park Secondary School; Cliffview Park - park overlooking the mountain side.

- (d) Naming of a park or facility in honour of a famous sports personality, i.e. Bobby Kerr Park; Jimmy Thompson Pool.

NOTE: The facilities so named should be related to the sport in which the individual has achieved his/her acclaim.

The committee to consult with the individual or the next of kin, as the case may be, to secure approval for the naming of a park in honour of an individual.

- (e) Naming of a park or facility in honour of an individual who has achieved recognition on a local, national or international basis, for his/her contribution to the wellbeing of his/her fellow citizens.

The committee to consult with the individual or the next of kin, as the case may be, to secure approval for the naming of a park in honour of an individual.

- (f) Naming of a park or facility in recognition of an approved twinning programme or cultural exchange programme with other municipalities, i.e. Hamilton - Fukuyama, Japan; Hamilton - Shwinnigan Falls, Quebec.

- (g) Naming of a park or facility in recognition of a local historical event or after an individual prominent in local history.

SUBJECT: Proposed settlement of Supreme Court Action
Wade, et. al -v- The Corporation of the City of Hamilton
and Hamilton Baseball Associates Inc.

RECOMMENDATION:

1. That the City of Hamilton agree that the Applicants' appeal to the Ontario Court of Appeal be dismissed, without costs at the Court of Appeal or below.
2. That the City Solicitor be authorized to execute all documentation necessary to carry out the dismissal of the appeal.

P.R.A. Hooker
Acting City Solicitor

FINANCIAL IMPLICATIONS

N/A

BACKGROUND

The Committee will recall, that this Court action was originally commenced by a group of residents in an effort to obtain an Injunction to prevent the Hamilton Redbirds from playing baseball at Bernie Arbour Stadium. At trial, the City was successful and obtained a dismissal of the application with costs.

The Applicants then appealed to the Court of Appeal. The Applicants' solicitor has now offered to resolve this matter on the basis that the appeal be dismissed without costs and that the City and Redbirds waive the Order for costs given at trial. Mr. Cranfield, who represents the Hamilton Redbirds, has indicated that his client is willing to consent to this settlement provided the City also agrees.

It is our recommendation that the City agree to resolve this matter on the basis proposed. If the matter proceeds before the Court of Appeal, there is always the potential that the trial decision will be reversed and that the Applicants will succeed in obtaining an Injunction to prevent the playing of baseball at Berine Arbour Stadium.

At present, the City would be entitled to assess its Party/Party costs of trial and to attempt to recover these costs from the ratepayers who commenced the action. Our estimate is that these costs would be assessed in the range of \$2,000. to \$3,000.00.

In view of the ability of the City to obtain a positive outcome at this time by foregoing a relatively minor recovery of costs, it is our recommendation that the City agree to resolve this matter on the basis proposed by the Applicants' solicitor.

A. RECREATIONAL FACILITY NEEDS STUDY, "VISION 2000" - FINAL REPORT

The Committee was in receipt of a report dated 1990 November 28 from the Director of Culture and Recreation and copies of the Recreational Facility Need Study, "Vision 2000" Final Report dated November 1990 as prepared by the Department of Culture and Recreation. The Director of Culture and Recreation introduced Ms. Coralee Secore, Manager of Planning and Director for the Facility Needs Study. Coralee Secore provided the Committee with an introduction to the Facility Needs Study and an overview of the Study indicating the needs to the year 2000 and the goals. Ms. Secore highlighted Plans A and B and advised that the next step would be to prepare short and long term goals, a policies and priorities manual and a facilities monitoring program.

The Committee discussed the allocating of the facilities by population and the projections for the lower and upper City. The Committee indicated that Mr. Jim Simpson had been a participant in the Study and that the report should be amended to reflect this. The Committee discussed the direction and strategy of the report as outlined on page 41 and the financial capability which must be considered when reviewing the report. The Acting Chairman reminded staff that the Ward Aldermen be kept involved. The Committee agreed that after the report was finalized, a concept would be developed and that the final details will then come back to the Committee for recommendation and consideration. After discussion, the Committee approved the following amended recommendation:

- (a) That the Recreational Facility Needs Study, "Vision 2000" - Final Report dated November 1990 as prepared by the Culture and Recreation Department be received.

- (b) That the Director of Culture and Recreation be directed to inaugurate the long range plans for subsequent recommendations and appropriate future action, subject to the consideration of the priorities of other City Capital Projects.

NOTE: The Recreational Needs Study forms the basis of a plan to systematically address Recreational Facility Needs to the Year 2000 which includes the development of a Policies and Priorities Manual and a Facilities Monitoring Program.

1. **MINUTES**

The Committee was in receipt of the minutes of the meetings held 1990 November 20 and the Special Parks and Recreation Committee meeting held on 1990 November 05 and approved the minutes as circulated.

2. **CITY SOLICITOR - APPLICATION FOR CHRIST CHURCH CATHEDRAL TO ESTABLISH A COLUMBARIUM**

The Committee was in receipt of a report dated 1990 November 16 from the City Solicitor and approved the following recommendation:

That the City Clerk be authorized to publish a Notice of Application for approval of the establishment of a columbarium in the basement of Christ's Church Cathedral, 252 James Street North.

3. **CITY CLERK**

3.1 **ALDERMANIC VACANCY - ARTS ADVISORY SUB-COMMITTEE**

The Committee was in receipt of a report from the City Clerk advising of the vacancy on the Arts Advisory Sub-Committee created by the resignation of Alderman David Christopherson. The Committee requested the Secretary to consult with Alderman Wilson and Alderman Formosi as to their interest in the position and advise Council if the Aldermen are interested in the position.

Subsequent to the meeting, the Secretary contacted Alderman Wilson who expressed an interest to serve on the Sub-Committee. As a result, Council was advised for their information that the Parks and Recreation Committee appointed Alderman D. Wilson to the Arts Advisory Sub-Committee to fill the vacancy created by the resignation of Alderman D. Christopherson.

3.2 **HAMILTON HISTORICAL APPOINTMENT**

The Committee was in receipt of a report from the City Clerk regarding the appointments to the Hamilton Historical Board and the Parks and Recreation Committee approved the following recommendation:

"That a Sub-Committee be established consisting of the Chairman and Vice-Chairman of the Parks and Recreation Committee and the two Aldermen on the Hamilton Historical Board to interview the applicants for the Citizen appointment and prepare a recommendation for the Parks and Recreation Committee's consideration".

4. MANAGER OF PURCHASING - SUPPLY AND INSTALL CHAIN LINK FENCE AT MOHAWK SPORTS PARK, UPPER KENILWORTH AND MOHAWK ROAD

The Committee was in receipt of a report dated 1990 November 26 from the Manager of Purchasing and approved the following recommendation:

That a purchase order be issued to Colonial Fence, Hamilton, in the amount of \$17 449.50 to supply and install a chain link fence at Mohawk Sports Park, Upper Kenilworth and Mohawk Road, being the lowest acceptable of four (4) tenders received, in accordance with specifications issued by the Manager of Purchasing and Vendor's tender, and that this expenditure be financed from Mohawk Sports Park, Various Improvements Account No. CH56398 62910 (703-5808).

5. DIRECTOR OF CULTURE AND RECREATION/MANAGER OF PURCHASING - EXTERIOR RESTORATION - HAMILTON MUSEUM OF STEAM AND TECHNOLOGY - CHANGE ORDERS

The Committee was in receipt of a report dated 1990 November 27 from the Director of Culture and Recreation and the Manager the Manager of Purchasing concerning Change Orders to the Exterior Restoration of the Hamilton Museum of Steam and Technology. The Committee discussed the change orders amounting to \$27 000 and the funding for these Change Orders. Staff advised the Committee that the repairs are funded with Provincial and Regional Funds and that there are no City funds involved at this time. After discussion the Committee approved the following recommendation:

That the purchase order to Malcolm Isbister & Co. Ltd., Dundas, for restoration work to the Hamilton Museum of Steam and Technology, in the amount of \$90 335 and approved by Council 1989 May 09, be amended by adding the following change orders in the amount of \$27 000:

(a) Change Order 1

- | | | |
|----|--|----------|
| i. | additional work to chimney plinth and north wall of engine house | \$19 500 |

and that this expenditure be financed from the Restoration of Steam Museum Account No. CF 718941001 5200.

6. **DIRECTOR OF PUBLIC WORKS**

6.1 **ANNUAL INCREASES - CEMETERY TARIFF OF CHARGES**

The Committee was in receipt of a report dated 1990 November 26 from the Director of Public Works and approved the following recommendation:

- (a) That the Tariff of Charges for City-owned cemeteries as set out in Schedule "A" attached, be approved upon receipt of approval from the Ministry of Consumer and Commercial Affairs, Cemeteries Branch, and implemented on 1991 January 02.
- (b) That the City Solicitor be authorized and directed to prepare a By-law to amend Cemetery By-law 8861 so as to provide for the increase in the Tariff of Charges.
- (c) That the Manager of Cemeteries be authorized and directed to make application to the Ministry of Consumer and Commercial Affairs, Cemeteries Branch, for approval of these rates.

6.2 **RELOCATION OF MARTIN WORKSHOP - CHEDOKE GOLF COURSE**

The Committee was in receipt of a report dated 1990 November 27 from the Director of Public Works and approved the following recommendation:

- (a) That the Director of Public Works be authorized and directed to make application to the Niagara Escarpment Commission for approval to construct a new workshop and yard facility for the Chedoke Golf Course on the site of the existing chipping green immediately west of the existing Chedoke Maintenance Depot.
- (b) That the existing Capital Budget Project "Chedoke Golf Course Storage and Workshops" in the amount of \$161 000 (Centre 628641001) be used for this project.
- (c) That a new chipping green be constructed on a site immediately south of the proposed workshop yard within proximity of the existing chipping green.
- (d) That the existing workshop located in the north-east corner of the Golf Course near Chedoke Avenue be demolished upon completion of the new proposed building and the cleared area be incorporated into the Golf Course and Chedoke Parkette as determined by site conditions.

6.3 **BUDGET TRANSFERS FOR FACILITIES SUPERINTENDENT**

The Committee was in receipt of a report dated 1990 November 28 from the Director of Public Works and approved the following recommendation:

That \$52 670 be transferred from the following Public Works - Parks Division (Sports Facilities) Accounts:

CH 51401 62116	Stadia Clean-up	-	\$ 2 000
CH 51401 62118	Stadia Maintenance	-	\$ 2 000
CH 51401 62120	Stadia Operations	-	\$ 2 670
CH 50010 62502	Special Repair Projects	-	<u>\$46 000</u>

\$52 670

to CH 51001 62001 - Parks Division, Administration Salaries to provide for the salary for the Superintendent of Facilities in the Parks Division - Administration Accounts.

7. CAPITAL PROJECTS - WEST MOUNTAIN TWIN PAD ARENA

Mr. Sugden advised the Committee that the Arena Working Committee had met on Monday, 1990 December 03 in order to receive an update, and the application is presently being prepared for submission to the OMB with respect to the financing.

8. OTHER BUSINESS

8.1 DESIGNATION PLAQUES - HAMILTON HISTORICAL BOARD JOINT PLAQUING SUB-COMMITTEE

The Committee was in receipt of a report dated 1990 December 03 and approved the following recommendation:

"That the Hamilton Historical Board Joint Plaquing Sub-Committee and Manager, Cultural Services be authorized to proceed with ordering approximately 10 historical plaques from the attached list of designated properties provided that a list of those chosen be approved at the next Hamilton Historical Board and LACAC research sub-committee meeting".

A copy of a proposed Plaque design was distributed to the Committee.

8.2 LUCY DAY PARK

The Committee was advised by staff of a request by the owner of 31 Clinton Street to lease or purchase a portion of Lucy Day Park. The Park is being developed under the PRIDE Program and the location of the fence to complete the project is effected by this request. The Committee requested staff to prepare a more comprehensive report and if necessary that a meeting be called to deal with the matter.

There being no further business the meeting was adjourned.

CITY OF HAMILTON
- RECOMMENDATION -

DATE: 1990 December 6

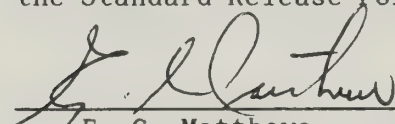

REPORT TO: Mrs. L. Dale, Secretary
Parks and Recreation Committee

FROM: Mr. E. C. Matthews
Treasurer

SUBJECT: FINAL RELEASE OF HOLDBACK

RECOMMENDATION:

That the total holdback in the amount of \$32,087.30 be released to Harm Schilthuis and Sons Limited for the completion of the contract, P.O. 7537, for Replacement of Rink Slab at Mountain Arena, pending receipt by the Treasury of the Standard Release Forms from the contractor and City Solicitor's Department.

E. C. Matthews

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

Contractor is entitled to release of holdback on the 46th day after total completion.

BACKGROUND:

The contract was originally approved by City Council April 17, 1990 in the amount \$320,873.00. The project has been substantially performed as of September 26, 1990 and is totally complete. The 45 day lien period has expired and I am recommending release of the holdback at this time pending receipt by Treasury of the necessary release forms from the contractor and City Solicitors.

4.

CITY OF HAMILTON
- RECOMMENDATION -

DATE: 1990 December 13

REPORT TO: Chairman and Members
Parks and Recreation Committee

FROM: Mrs. Lynn Dale, Secretary
Arts Advisory Sub-Committee

SUBJECT: HAMILTON ARTS AWARD - 1990

RECOMMENDATION:

- (a) That Mike Wood be the recipient of the 1990 Hamilton Arts Award administered by the Arts Advisory Sub-Committee.
- (b) That the annual Hamilton Arts Award grant in the amount of \$500 be awarded to Mike Wood at a reception to be held during Arts Awareness Month - May 1991 and accordingly a press release will be prepared in the near future congratulating the recipient. Funds provided for in Account - CH5A100-20020 - Hamilton Arts Awards.

Lynn Dale

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

See above.

BACKGROUND:

As part of the Arts Advisory Sub-Committees mandate, it is the Committee's responsibility to administer the annual Hamilton Arts Award.

The Hamilton Arts Award began in 1976 and each recipient in the past has received a cash award of \$500 from the City of Hamilton for his/her contribution to the Arts in Hamilton.

The Arts Advisory Sub-Committee at its meeting held 1990 December 06 reviewed the nominations and approved the above recommendation.

Mike Wood is being recognized for his outstanding achievement in the field of music and his significant contribution to the community both of which have enriched the lives of Hamiltonians over the years.

On 1990 October 03, City Council approved a recommendation that in order to focus on the Arts in Hamilton, approval be given to present the 1990 and 1991 Arts Award during the Arts Awareness Month, May 1991 and that the 1990 Art Award be set up for payment in 1991.

Nominations for the 1991 Award will be accepted early in 1991.

CITY OF HAMILTON
- RECOMMENDATION -

DATE: 1990 December 3

REPORT TO: Ms. Lynn Dale, Secretary
Parks and Recreation Committee

FROM: Mr. J. J. Schatz
Secretary, Management Team

SUBJECT: 1991-1995 PROVISIONAL CAPITAL BUDGET

RECOMMENDATION:

That the enclosed listing of 1991-1996 Capital Projects as outlined and included in the 1991-1995 Provisional Capital Budget be reviewed, revised, endorsed and forwarded to the Finance and Administration Committee for consideration to be included in the 1991-1995 Capital Budget.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

Average debt charges for 1991-1995 as a percentage of levy would be 14.6% and average annual debt charges would be increased by 12.6% if all projects being submitted to Standing Committees were ultimately approved by Council.

BACKGROUND:

We have received all the capital projects for all civic departments, along with the Regional Planning and Engineering Departments, for inclusion in the City's 1991-1995 Provisional Capital Budget, with a total net cost to the City of \$196.224 million (gross cost of \$298.202 million less revenue and subsidy \$101.978 million) for the five-year period of 1991 through 1995. This budget does not include three projects, noted below, which have recently been approved by Council to be started in 1991:

West Mountain Twin Pad Arena including reconstruction of Chedmac Drive Senior Citizens Centre	\$ 9,668,000 <u>3,500,000</u>
Sub Total	\$13,168,000
Provision for Additional Private Boxes for NHL	<u>5,900,000</u>
	\$19,068,000
	=====

Note: The estimated budget for the new Traffic Building is 6.83 million dollars and is expected to go to tender soon.

1990 December 3

Mrs. Lynn Dale, Secretary
Parks and Recreation Committee - Page 2

BACKGROUND: - continued

The Management Team will be recommending guidelines and financial parameters for the guidance of the Finance and Administration Committee when the Capital Budget meetings commence in January 1991, as follows:

- (1) Guidelines are recommended for the inclusion of a capital project in the 1991-1995 Provisional Capital Budget Programme:
 - (a) Strategic direction:
 - Image of the City
 - Quality of life
 - Transportation
 - Staff/Council Relations
 - (b) Public/Employee Safety/Liability - Corporate
 - (c) Legislated by Senior Levels of Government
 - (d) Needs Analysis/Feasibility Study:
 - Demand
 - Equity
 - Cost/Benefit
 - Control Future Costs/Maintenance
 - Offsetting Net Revenue
 - (e) Economic Development.
- (2) The annual debt charges of any given year should not exceed 5% of the prior year and the debt charges as a percentage of levy should not exceed 11.6% of levy.

I am also including a list of projects scheduled to start in 1996 through 2000 for inclusion at the back of the 1991-1995 Provisional Capital Budget.

In conclusion, the Management Team has recognized that several projects should be eliminated, reduced, delayed and postponed to stay within the guidelines which will be discussed during the presentation in January to the Finance and Administration Committee while considering the overall Capital Budget from a global perspective.

3. DETAILED DESCRIPTION, STATING PURPOSE, TYPE OF PROJECT, LOCATION, ETC.:
Construct an additional 19 tees. increasing tee space per hole by
2,500 sq. ft. to 5,000 sq. ft. The additional tees would be constructed
on the Beddoe Course on holes 1-18. also an enlarged practice tee will
be built. An estimated 60,000 rounds of golf are played on the Beddoe/year.
The present tee sizes are inadequate for this number of rounds. The wear and
tear inflicted on these tees is devastating from both a maintenance and a
playing prospective.

3. DETAILED DESCRIPTION, STATING PURPOSE, TYPE OF PROJECT, LOCATION, ETC.:
To repair damage to gabion wall located on the Beddoe Golf Course in the area of the 4th hole. The damage to the wall is due to runoff water from the mountain which is undermining the gabions. The eventual failure of this wall is eminent. It is also a safety hazard in that golfers and children regularly walk the creek bed beside the wall looking for golf balls.
